HOW WE APPROACH YOUR WEDDING PHOTOGRAPHY & VIDEO

John Michael Photography & Videography is a creative team of a photographer and videographer who work together all year round and who promise your wedding day 100% professionalism, shooting pictures and video you'll simply love.

We always meet you before the wedding day to plan your requirements; then, whatever style of picture you want, we will provide.... classic, chic, elegant, intimate and spontaneous, you will be surprised and thrilled with all of the moments we capture throughout the day, many of which you would otherwise miss!

Our aims are to give a quiet, relaxed, unobtrusive and courteous service on your wedding day to guarantee photographs and video that you and your families will treasure, lifelong. Ask us for sample photo and video discs and read typical feedback from a few of our wedding shoots:

*"Hi John,
I just wanted to send you a quick thank you. Gavin and I absolutely loved the pictures you took. We couldn't have wished for better quality and thanks to you, we can always remember our special day (including the unbelievable weather). Thank you so much for*

everything and we are happy to provide any recommendations/reviews should you need it.

*Best Regards,
Isabell & Gavin"*

*"John, thank you so much!! We are over the moon with the pictures. They are great and you captured such a variety of guests and moments in the day. Thank you also for the excellent film video, slideshow and story book. With kind regards,
Lynne & Graham."*

*"Hi John
thanks so much for working so hard on our wedding day to give us such fantastic pictures and video. It was a dream come true and a great laugh doing the photoshoot and film on the beach. Our memories of our special day will always be fresh with such great photos and video.
Kindest regards
xx Louise & Daniel
PS The Storybook is gorgeous!"*
