COURSE INFORMATION PACK

www.charmedbridalacademy.co.uk

Thank you for your interest in Charmed Beauty's Bridal Training Academy.

Farzana is an award winning makeup artist with over 7 years experience in the makeup industry. She is a hard working and dedicated professional freelance Hair, Makeup & Henna Artist, fully qualified and has taken training both in the UK & Internationally.

She is passionate about make up and believes there are no limits to creativity; which can be seen in her work. Farzana has always been extremely creative and had a passion for colours from as far back as she can remember her love for painting stems from a young age, which lead to her career in makeup and now paints faces. She only uses the best makeup such as Mac, Supercover, kryolan and Bobbi Brown just to name a few.

Due to increasing demand and interest Farzana has decided to offer her unique master skills to her much-awaited eager students. This Bridal Training Academy shall give potential students the opportunity to learn the skills and knowledge from the very popular and renowned makeup specialist Farzana.

As the main course leader and teacher Farzana is dedicated in delivering high quality Bridal training. The course entails 5 days of intense training and demonstration of a variety of stunning looks, covering all aspects of basic makeup, versatile Bridal and Party Hair styles along with intense heavy traditional Bridal looks to the Popular Arabic look as well as glitter, Smokey, bold and Registry looks that are popular in today's Bridal industry.

Step by step instructions will be provided in order for you to learn & master the techniques & method used.

The course will also include knowledge about how to set up and advertise your own freelance beauty therapist business. Farzana will give you all the advice necessary to enable you to do this.

Therefore not only is this course going to enable you to become a Bridal Specialist but kick start your career as a successful Bridal Makeup Artist.

Farzana is committed to deliver 100% training to her students and teach them her trade secrets. However her students will have to dedicate their full attention and commitment in return. All students will definitely benefit from Farzana's expertise in all areas of Hair and makeup.

Course Details;

The 5 days course will involve a number of makeup, hair and Bridal applications by Farzana, followed by students practicing the makeup techniques taught. Farzana will demonstrate many popular and traditional looks for students to then practice in the academy every day. During the course regular assessments shall be undertaken by the academy staff to ensure all students meet the relevant criteria.

Successful students will Graduate with a Diploma Certificate of merit which will be recognised & accredited by BABTAC this will allow students to insure themselves and their business. In addition students can also become members of leading makeup brands, i.e. Mac and Super cover.

Any students who have not grasped any part of the course will be advised to attend on a suitable day to complete any area of the training they are unsure about. (At no additional cost) Generally this is highly unlikely, as Farzana will ensure all students meet the course criteria successfully during the course duration.

Do you want to learn to master looks like these?

Do you want a rewarding carer in the makeup industry?

Do you want to be your own boss?

If your answer is yes than why not enrol onto our next course?

TIMETABLE OVER THE 5 DAYS;

DAY 1:

- Introduction to the course and all Health and Safety explained
- Anatomy and physiology in relation to the course
- Theory relating to the course; Skin conditions, diseases and different types of skin.
- Contraindications
- Sterilisation methods and salon hygiene explained
- Introduction to Makeup Brushes
- Different types of Products in Makeup application explained and shown
- Basic makeup demonstrations and application, which will include correct shade selection and correction techniques in relation to Primers, Base foundations, face blot powders.
- Contouring and Highlighting discussed and shown

- Basic Makeup demonstrated – including party and Registry
- Bridal Makeup shown with step by step instructions
- False Lashes will be discussed too and the correct techniques to apply false lashes will be shown step by step.

Day 2:

- Farzana shall demonstrate a variety of makeup looks ranging from fashion looks to Party looks throughout the day.
- Different makeup looks will enable students to master the application techniques of all occasion makeup and give them the wider understanding of offering versatility to students and their potential future clients.
- The academy will then allow the students to practice and familiarize themselves with all the varied looks shown that day. Farzana will continue to assist as well as assess the students.

DAY 3:

- Day 3 will be about showing and then mastering more intense makeup and Bridal looks
- The Arab, Bridal, smoky, glittery, and Further registry looks will be focussed upon
- Along with contouring, highlighting, blushers, lipsticks and lip glosses will be discussed and applied
- Assessments and observations will be done throughout the practice sessions.

DAY 4:

- This day shall focus on forms of different hair styles
- Demonstrations by Farzana showing from basic hair curling to the Traditional Bridal bun and also many styles such as the famous beehive and today's popular glamorous up do's
- The day shall progress to the many styles of Bridal dupatta setting and Jewellery application on Bridal.
- Students will then have the opportunity to recreate all the hair styles demonstrated and familiarise themselves with the popular hairstyles
- Assessments will be ongoing throughout the day to ensure that students are mastering all the necessary skills

DAY 5:

- This day will be about students putting together a student portfolio with any of their desired looks they have mastered throughout the duration of the course.
- Makeup and Hair looks in relation to Party, Registry, and Bridal
- The academy will provide professional models for this day.
- Students may wish to bring wedding jewellery, clothing and accessories to compliment their desired looks, although the academy will provide some outfits and accessories
- Images will be put together to form students portfolios
- Farzana will be at hand to ensure all the case studies are completed and successful
- Hair images may also be taken to add to your portfolio.

Any further questions by students will be addressed and by the end of the day students will have to fill in relevant paperwork, which shall be for the Academy database only. Please note no student information will be disclosed to any other agency without student consent.

Further student photo shoots can be arranged. These are not included in the course costs.

Please speak to Farzana in regards to this, as portfolio building is very important in Freelance Bridal Specialist work. The courses shall be delivered in a fully equipped studio in Bradford.

The course includes hair and Makeup with Specialist Bridal, and party looks, along with a student portfolio and reference manual.

Self-grooming class

1 day £250

121 or book with a friend and save £50 each

Self-grooming courses- learn how to look your best & bring out your best features.

Are you a working lady, housewife, newly married or a student
and want to look your best without hiring a makeup artist?

Then why not take the Self Grooming Makeup class with Farzana
to help you build your personality, gain confidence and look your best all the time.

Almost 90% of women do their Make-up incorrectly.

You can buy the most expensive Make-up products in the market,
but if you do not know how to use them, all you are doing is
making yourself look older than your actual age.

One must understand the difference between
skin requirements & skin tone-what suits your skin & shape.

- Tools: Makeup brushes, sponges and applicators
- Skin Care: Understanding your skin and Face Analysis
- Foundation base application: Waterproof & Sweat Proof
 - Eye: Brow Shape, Eye Shading & Blending,
Eye Liner & Mascara Application and False Eyelashes
- Face: Blusher, Lip shaping, Highlighting and Sharpening
- Make-up: Natural, Glamorous, Smokey, Day, Evening & Party Make-up.
