Dedicated to make you look beautiful

## Training Academy

**5 Day**

*Hair & Make-up*  
*Course Information Pack*

**M: 0787 261 7376**

**[www.charmedbridalacademy.co.uk](http://www.charmedbridalacademy.co.uk)**

A woman is seated on an ornate golden chair, wearing a vibrant blue sari with intricate gold embroidery and a matching blue veil. She is adorned with traditional Indian jewelry, including a large gold necklace, bangles, and earrings. In the background, a traditional hookah is visible. The overall setting is elegant and traditional.

# *About the Bridal Training Course*

You will be taught a variety of stunning looks, covering all aspects of basic makeup, versatile Bridal and Party Hair styles along with intense heavy traditional Bridal looks to the Popular Arabic look as well as glitter, Smokey, Bold and Registry looks that are popular in today's Bridal industry.

The course will also include knowledge about how to set up and advertise your own freelance beauty therapist business. Farzana will give you all the advice necessary to enable you to do this. Therefore not only is this course going to enable you to become a Bridal Specialist but kick start your career as a successful Bridal Makeup Artist. The course training manual has also been checked and approved by the course awarding trade body Babatc.

Students will Graduate with a Diploma Certificate of merit which will be recognised & accredited by BABTAC this will allow students to insure themselves and their business.

# DAY TWO

Farzana shall demonstrate a variety of makeup looks ranging from fashion looks to Party looks through out the day. The Arab, smoky, glittery, and further registry looks will be focussed upon using 2 & 3 colour eye makeup.

Different makeup looks will enable students to master the application techniques of all occasion makeup and give them the wider understanding of offering versatility to students and their potential future clients.

The academy will then allow the students to practice and familiarize themselves with all the varied looks shown that day. Farzana will continue to assist as well as assess the students. False Lashes will be discussed too and the correct techniques to apply false lashes will be shown step by step.

# DAY THREE

*Bridal Makeup shown with step by step instructions.*

*Day 3 will be about showing and then mastering more intense makeup and Bridal looks.*

*Advance techniques of contouring, highlighting, blushers, lipsticks and lip glosses will be discussed and applied.*

*Business & Marketing advise to get you started.*

A woman is shown from the chest up, wearing a vibrant blue sari with a wide, ornate gold border. She has a traditional Indian hairstyle with a large, ornate gold bindi on her forehead. Her eyes are closed, and she has a serene expression. She is wearing a large, ornate gold necklace with pearls and a matching gold bangle on her right wrist. Her hands are positioned near her face, one near her chin and the other near her forehead.

# *Day Four*

## **Hairstyles**

This day shall focus on forms of different hair styles Demonstrations by Farzana showing from basic hair curling to the Traditional Bridal bun and also many styles such as the famous beehive and today's popular glamorous up do's

The day shall progress to the many styles of Bridal dupatta setting and Jewellery application on Bridal. Students will then have the opportunity to recreate all the hair styles demonstrated and familiarise themselves with the popular hairstyles

# DAY FIVE

## Assessment & Portfolio Day

This day will be about students putting together a student portfolio with any of their desired looks they have mastered throughout the duration of the course.

Makeup and Hair looks in relation to Party, Registry, and Bridal

The academy will provide professional models for this day.

Professional wardrobe consisting of Bridal and Fashion outfits. Bridal Jewellery and accessories are also provided for the purpose of the photo-shoot. the Training studio provides a variety of clothing etc, students may wish to bring their own jewellery and outfits.

An in house professional photographer will also be on site all day to ensure all completed looks are photographed.

All completed images are selected and enhanced to finalize stunning images for students to build their very own individual professional portfolio.

Students will own the copyrights on their images and are able to use the images for all their marketing purposes, i.e. business cards, posters, flyers, banners and website building.
