TIMETABLE OVER THE 5 DAYS;

DAY 1: Introduction to make up.

- Introduction to the course and Health and Safety.
- Anatomy and physiology.
- Skin conditions, diseases and different types of skin.
- Contra-indications.
- Sterilisation methods and salon hygiene
- Introduction to Makeup Brushes
- Application of the types of Products in Makeup.
- Demonstration of basic make up application, including correct shade selection and correction techniques in relation to Primers, Base foundations and face blot powders.
- Contouring and Highlighting.
- Corrective techniques such as blushers, lipsticks, lip liners and lip glosses as well as different types of eyeliners.
- Demonstration of Party and Registry looks.

DAY 2: Creating various looks and techniques involved.

- Throughout the day Farzana shall demonstrate how to achieve a range of make-up looks from Fashion to Party looks. The Arab, smoky, glittery, and further registry looks will be focussed upon using 2 & 3 colour eye makeup.
- Demonstration of different makeup looks will enable students to master the application techniques required for makeup looks for all occasions. This will give the students a wider understanding of offering versatility to their potential future clients/students.
- The academy will then allow the students to practice and familiarise themselves with all the varied looks shown that day. Farzana will continue to assist as well as assess the students.
- False Lashes will be discussed the correct step by step application techniques will be demonstrated.

DAY 3: Advance Bridal

- A step by step instruction of Bridal Makeup
- Day 3 will be about showing more intense makeup and Bridal looks. The student will then practice and master the same looks.
- Advance techniques of contouring, highlighting, blushers, lipsticks and lip glosses will be discussed and applied.
- Assessments and observations will be done throughout the practical sessions.
- Business & Marketing advice to get you started.

DAY 4: Hairstyles

- This day shall focus on forms of different hair styles
- Demonstrations by Farzana showing from basic hair curling to the Traditional Bridal bun and also many styles such as the famous beehive and today's popular glamorous up do's.
- The day shall progress to the many styles of Bridal dupatta setting and Jewellery application on Brides.
- Students will then have the opportunity to recreate all the hair styles demonstrated and familiarise themselves with the techniques of these popular hairstyles
- Bridal & Party Hijab setting techniques will also be show.

DAY 5: Assessment & Portfolio Day

- This day will be about students putting together a student portfolio with any of their desired looks they have mastered throughout the duration of the course.
- Makeup and Hair looks in relation to Party, Registry, and Bridal
- The academy will provide professional models for this day.
- Professional wardrobe consisting of Bridal and Fashion outfits. Bridal Jewellery and accessories are also provided for the purpose of the photo-shoot.
- Although the Training studio provides a variety of clothing etc, students may wish to bring their own jewellery and outfits.
- An in house professional photographer will also be on site all day to ensure all completed looks are photographed.
- All completed images are selected and enhanced to finalize stunning images for students to build their very own individual professional portfolio.
- Students own the copyrights on their images and are able to use the images for all their marketing purposes, i.e. business cards, posters, flyers, banners and website building.

Farzana is currently offering 121 courses so you will get her undivided attention.

Save £300 on the 121 course only £1200 (normally £1500)

or book with a friend save £1000 so only £1000 each.

You will learn faster and not wait around until everyone has picked the step up.

You will learn at your pace so you may need to take a little longer in one area
but may master another straight away.

It will be tailored to suit your needs and help you learn in a relaxed environment.

When training a large group of students the tutor can't give them all the same attention as some
may need more and some may need little guidance.

Also they may be an area which you don't fully understand but the rest of students have said they
have, so you don't feel right to say you haven't so you have missed out.

Farzana will make sure you master every step to help you succeed & complete the course.
