

One Day Wedding Photographer Course £175

Is it for me?

This course is aimed at the experienced photographer who wants to enter the wedding industry. This course is practical with opportunities to learn and practice the important techniques needed for successful wedding photography.

What are the times of the course?

The course will start at 10am and finish at 5pm.

What does the course cover?

- The wedding day
- How to find and use natural / ambient light
- Correct positioning of Bride and Groom
- Using flash indoors to balance light
- Using flash outside as both main and fill light, on and off camera.
- Using reflectors to increase the size of the fill-light.
- White balance.

On completion of the course you would expect to feel confident with the techniques used to take high quality commercial images in what can be challenging photographic conditions.

What do I need to bring with me?

- Your DSLR camera
- Extra camera equipment – Camera batteries, memory cards, extra lenses (optional, not essential), reflectors.

How much does it cost?

£175 within a group course

£250 one to one
