**Notes**

- A.** Pictures 1 and 20 are on the first and last page, pictures 2 and 3, 4 and 5 etc are opposite each other. Also please be aware of having portrait (vertical) and landscape (horizontal) pictures opposite each other, it will mean when viewing you will have to turn the album. It is easier for the viewer to have 2 verticals or 2 horizontals opposite each other reducing the times the album is turned.
- B.** If you require the same size album but with different picture order or a different size album, please use a separate order sheet. Fill the payment section in on one sheet only.
- C.** Orders take approximately 10 - 14 days from receipt of the completed order form and payment in full.
- \* Postal delivery is £8.00 for the first album and £5.00 for each album there after in the same order to the same address.
