- In addition to studio portrait sessions for families and children, we also offer quality sports and dance photography.
- Sessions can take place on location or in-studio for leagues and dance schools of all sizes.
- Our quality surpasses our competitors by using studio lights and a 3:1 lighting ratio. This means that portraits are never flat or washed out.
- Specializing in babies and children, I pride myself in getting natural expressions full of personality.
- Family owned in Dayton, Ohio since 2002 with a focus on quality, creativity, and customer service.
- Our heirloom quality prints are guaranteed not to fade with time.
