# THE CARAVAGGIO COVERAGE

Our ultimate statement of luxury and style, the Caravaggio Coverage has been introduced for those couples who would like the best of everything! The Coverage begins a few weeks prior to the Wedding, when our photographer will invite you to an informal Portrait Session. This is designed to steady the nerves on your big day, as by then you'll be used to our cameras! From this session we will enlarge your favourite image and present it on a mounted display board for the guests to write messages and congratulations onto.

On your Wedding Day, we are available for as long as you would like us - from the bridal preparations through to the first dance - this really is our ultimate package. Included also is a preview album of all the finished images, to help you make your choice for your hand-made, individually designed and boxed Wedding Album - the finest album that we offer! You needn't worry about the odd blemish or two on your special day either, as the Caravaggio Coverage includes all necessary image retouching! It's our aim to make you look fabulous!

The finished images will be uploaded onto our password protected website so that invited guests may view and order prints from the comfort of their own home, but you will also receive a High Resolution copyright-free disc of all the finished images, licensed for your own use. Your parents won't be forgotten either, as we include two smaller versions of your Wedding Album - one for each set of parents!

# THE UCCELLO COVERAGE

GARY & STEPH  
MAY 2011

The Uccello Coverage really is the best of both worlds! It is a compelling mixture of the traditional and the modern. The package combines a hand-made Wedding Album with a Hi-Resolution disc of all the finished images so that you can display the stunning photos taken on your day in an exquisite album yet also share them with friends and family all over the world. The album takes the form of a story book, chronicling the day's events as they unfold! Coverage begins with the Bride getting ready and continues to include the Wedding Breakfast and Speeches - and the reactions to them! The images will be digitally enhanced as necessary, so you needn't worry about the odd blemish or two! Once finished, your shots will be uploaded onto our secure website for viewing, but we also include a preview album to help you make the choice of around 50 photos for your 'Coffee Table' style Wedding Album. The Hi-Resolution disc supplied is copyright-free, but also features an 'internet-friendly' folder of images, designed for sharing on Social Networking sites etc.

WE WELCOME MOST TYPES OF CREDIT/DEBIT CARD PAYMENTS

*Paolo Uccello - (1397-1475)*

# THE MASACCIO COVERAGE

The Masaccio Coverage was the first of our packages to include a Story-book Wedding Album. We have recently upgraded the album to allow for more photos to be included and it remains the favourite choice of those couples who would like a more 'fly-on-the-wall' approach to their Wedding. The Coverage begins with the Bridal preparations and continues throughout the day to include the

Wedding Breakfast and the Speeches. These are both great to photograph and can provide an endless source of inspiration! Over 350 images will be taken and uploaded to our secure website where you'll be able to choose up to 100 shots for your unique hand-designed Story-book album - then you can re-live your day again and again!

*Masaccio - (1401-1428)*

# THE DA VINCI COVERAGE

The Da Vinci Coverage has been introduced for those couples who would like just a Copyright Free disc of their Wedding Images. The photography begins with the Bride at Home and continues until the Wedding Breakfast, but will include the Speeches, if required. The Disc of Images will contain both Hi-Res and Lo-Res files - the latter being suitable for uploading to social networking sites etc.

In order to show you how the images should be printed (always a Photographer's worst nightmare - Wedding images being printed out at a local supermarket?!) we include ten mounted 8x6 prints of your choice so that you will be able to display some Professional Photographs on your wall!!

*Leonardo Da Vinci - (1452-1519)*

# ABOUT OUR PHOTOGRAPHERS

**Andy Robinson CrGWP:** J&A's Principal Wedding Photographer for a number of years now, Andy's relaxed style is very much in demand and we are delighted that the majority of J&A Weddings will be covered by him. Andy is a member of the Guild of Wedding Photographers and one of only seventeen people to have achieved 'Craftsman' status within the Guild - one of only two 'Wedding Craftsman' in the West Country.

2012 was Andy's most successful year to date - culminating in him being named as one of the country's Top Two Wedding Photographers of 2012 by the Guild of Wedding Photographers - a real honour and we are really proud of his achievement!

**Andy's style:** Andy loves photographing Weddings and it really shows! He prefers to observe and react to wedding events as they unfold, but will organise the Family Groups as necessary and is experienced enough to realise that great pictures don't just happen! People generally need a bit of help to relax, so don't worry if you think that you're not 'model material', Andy is used to putting people at ease and will help you to enjoy your most special day!!

He is an Associate of the Royal Photographic Society and a Craftsman of the Guild of Professional Photographers. Passionate about photography, Robin aims to work with you to capture the magic of your special day in photographs that will bring back memories for many years to come. Examples of his work may be found at [www.quillstring.co.uk](http://www.quillstring.co.uk).

We hope that within this brochure you will have found a Coverage that you like - and that we are available on your preferred date to provide your Wedding Photography. If we are, then it's time to relax!

As a prelude to 'married life', we'd like to share with you this piece of advice which appeared in our main Trade Magazine recently. It is apparently authentic, but we hope that the author had his/her tongue firmly in their cheek when they wrote it!!

## What else can we do?

- \* Personalised Wedding Gift Vouchers to help the Couple pay for the Coverage itself or Enlargements later.
- \* Extra copies of Wedding Albums, Reprints, Bridesmaids Albums, Framed or Mounted Enlargements - even 'Thank You' cards!

Housekeeping Monthly 13 May 1955

## The good wife's guide

- Have dinner ready. Plan ahead, even the night before, to have a delicious meal ready, on time for his return. This is a way of letting him know that you have been thinking about him and are concerned about his needs. Most men are hungry when they come home and the prospect of a good meal (especially his favourite dish) is part of the warm welcome needed.
- Prepare yourself. Take 15 minutes to rest so you'll be refreshed when he arrives. Touch up your make-up, put a ribbon in your hair and be fresh-looking. He has just been with a lot of work-wear people.
- Be a little gay and a little more interesting for him. His boring day may need a lift and one of your duties is to provide it.
- Clear away the clutter. Make one last trip through the main part of the house just before your husband arrives.

Housekeeping Monthly 13 May 1955

- Gather up schoolbooks, toys, paper etc and then run a duster over the tables.
- Over the cooler months of the year you should prepare and light a fire for him to unwind by. Your husband will feel he has reached a haven of rest and order, and it will give you a lift too. After all, catering for his comfort will provide you with immense personal satisfaction.
- Prepare the children. Take a few minutes to wash the children's hands and faces (if they are small), comb their hair and, if necessary, change their clothes. They are little treasures and he would like to see them playing the part. Minimise all noise. At the time of his arrival, eliminate all noise of the washer, dryer or vacuum. Try to encourage the children to be quiet.
- Be happy to see him.
- Greet him with a warm smile and show sincerity in your desire to please him.
- Listen to him. You may have a dozen important things to tell him, but the moment of his arrival is not the time. Let him talk first - remember, his topics of conversation are more important than yours.
- Make the evening his. Never complain if he comes home late or goes out to dinner, or other places of entertainment without you. Instead, try to understand his world of strain and pressure and his very real need to be at home and relax.
- Your goal: Try to make sure your home is a place of peace, order and tranquility where your husband can renew himself in body and spirit.
- Don't greet him with complaints and problems.
- Don't complain if he's late home for dinner or even if he stays out all night. Count this as minor compared to what he might have gone through that day.
- Make him comfortable. Have him lean back in a comfortable chair or have him lie down in the bedroom. Have a cool or warm drink ready for him.
- Arrange his pillow and offer to take off his shoes. Speak in a low, soothing and pleasant voice.
- Don't ask him questions about his actions or question his judgement or integrity. Remember, he is the master of the house and as such will always exercise his will with fairness and truthfulness. You have no right to question him.
- A good wife always knows her place.
