

LANZA MARTINETA of WE CLICK YOU PICK

## ABOUT US

We Click You Pick Photography is based in the centre Warrington, just a 20 minute drive from Manchester or Liverpool.

Lanza Martineta has been a Professional Photographer and Graphic Artist for nearly 30 years. Together with his partner, Lisa Sancho, an Image Retoucher and Personal Assistant they bring a radically distinct style to commercial and contemporary photography.

“Our business approach is based on the long term growth, not short term exploitation, and customer satisfaction is a primary focus in achieving this.”

We provide our clients with diverse shoots displaying their modeling potential while simultaneously benefitting from our vast experience. We consult with you the client and put in the required man hours until we achieve the look you want for your portfolio in an industry where you do not get a second chance to make a first impression.

We Click You Pick offers our clients the opportunity to capitalize on our proven track record of successful models and on the strength of the dynamic portfolios and shots we have produced.
