

Thank you so much for your interest in Meaghan Barringer Photography!

Choosing someone to capture a special moment in your life is an important decision, and I am honored that you have taken time to learn more about my business. My goal for every photo shoot is to make each client look their personal best in a fun and relaxed environment.

Since I do not own a studio, each portrait session is shot on-site at a location of your choice and is customized to fit your individual needs. All sessions include an unlimited number of wardrobe changes and poses. Any necessary retouching and black & white, sepia, and special color enhancements may be added to your portraits for no additional charge.

The following are prices for available 1-2 hour sessions (sitting fee only):

Family or Group Portraits	\$50 (add \$10 / person if group is larger than 5 members)
Child or Maternity Portraits	\$75
High School Senior Pictures	\$100
Engagement	Contact for details

All of your portraits are printed using the highest quality professional printing service and will be printed on your choice of glossy, matte, or metallic paper. Prints are available a-la-carte, and I will never require a deposit or any minimum purchase.
