

It's no ordinary story....

it's your story.....

Bespoke fine art composite Photography

Prices starts from £295

Our packages are tailor made and price depends on location props & costuming to be purchased if necessary, the amount of people and places and items to be photographed & the number of images you would like to end up with. There is also a whole range of products available to purchase.

Our pricing includes

A consultation to find out what theme you would like to do.

Photography until we have what we need.

All digital art editing.

Online password protected gallery to view the images.

A video slide show to show how it all came together

Your fine art piece will then be presented as your chosen product.

Below is a guide to what else is included but all can be tailored to you.
