## Grad Announcement Services

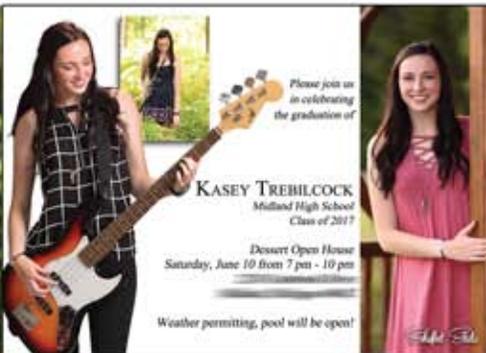

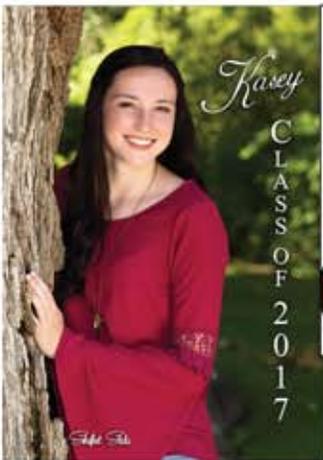

2017-2018

We design your custom grad announcement for *free*.

Announcements are 2-sided, 5x7's, printed on heavy card stock and come with envelopes.

Choose color, black and white, or a mixture of both!

Order your grad announcements in sets of 25 for \$44.50 per set.

Get started early, even if you don't know the date and time yet.

**March** is a great time to send us your list of 2 to 5 of your favorite poses. We'll send you a preliminary design for your consideration.

Once you give us final approval your announcements arrive in about a week.
