The photographer's judgment regarding the location /poses/groups and the number of photographs taken shall be deemed correct. Due to the vagaries of the weather and the willingness of subjects, it may not be possible to capture all the photographs requested. Photography is a subjective medium and while some people may like a picture, others may not. The couple agree that not all images provided by the photographer may be to their liking and concede that not every image the photographer attempts to capture will be successful. The photographer will overshoot so that after editing, the contractual obligations of this contract are still fulfilled.

## **PHOTOGRAPHY**

For weddings involving church or other venues, photographers' movements are sometimes restricted by the minister or officials in charge, which can result in parts or even all photography of the ceremony being restricted or prohibited, as may the use of artificial lighting. The photographer cannot take responsibility for limited coverage in such cases. The photographer and/or assistant will not tolerate verbally or physically abusive behaviour of the client or guests of the event and reserve the right to leave the event should any abusive behaviour occur.

A hot meal for the photographer and assistant must be provided if the "LET'S DANCE" coverage is requested. You will be able to view and choose your photographs on your personal online gallery, approximately seven days after your wedding. In the meantime, if you have chosen an album we will start to design the layout, which you will be able to view on your personal page we will let you know when it's ready. Images will be arranged in a manner similar to that of our sample albums, unless otherwise requested in writing. After the initial design has been produced you will have 30 days to provide a list of all changes that are required, unlimited changes are allowed at this time but must be written as exact instruction. After the second draft has been produced according to the changes you requested from the first draft, you still have the option to make minor changes, but after this point you will be charged at a rate of £5 per individual change
